THE OTHER/PROMISED LAND

Performance by Artists in Residence **LEINZLIEBERMAN (GERMANY/ISRAEL)**

Friday, October 13, 2017 | 8pm

Shlomo Lieberman and **Ulrich Leinz** confront three very different love stories in their performance: the disturbing memories about the grandmother who survived Auschwitz, the painful love letters of the German grandfather from Warsaw in 1943 and their own attempt to survive their relationship as a gay German/Israeli couple in Berlin.

Long-buried desires arise from the relationship rituals on stage – somewhere in between dreams and nightmares.

This is how the performers tell the story of their world – a world we all live in, somehow.

The Other/Promised Land had its world premiere in November 2017 at ETB|IPAC. As Artists in Residence LeinzLieberman bring this extraordinary intense performance back to live.

In English with sections in German and Hebrew.

Created and performed by Shlomo Lieberman and Ulrich Leinz

The Other/Promised Land is supported by the Israeli Embassy in Berlin.
